WHEN PLACING AN ORDER

Please ensure your supplier has ample inventory to meet the needs of your institution/practice. Be sure to inform them on your conversion intentions, including:

- Weekly purchase amount (units)
- Weekly purchase amount by contract - WAC, GPO, 340B
- Anticipated conversion percentage from other pegfilgrastim products
- Anticipated conversion date for large conversions

Please allow at least 5 days for Wholesaler/Specialty distributors to increase inventory

For Fresenius Kabi's Product replacement policy for unusable product, contact customer service at:

Phone: 888-386-1300

Email: productreplacement@fresenius-kabi.com

Please visit www.stimufendhcp.com for more information
